

Wisconsin Department of Veterans Affairs

Tony Evers, Governor | Mary M. Kolar, Secretary

November 17, 2021

Dear Union Grove Members, Friends, and Family:

Thank you for entrusting the Veterans Home at Union Grove to provide support to your family member during these unprecedented times. Please be assured our commitment to the health and well-being of our members always remains our top priority. As you know, when there are surges of coronavirus in the community, we begin to see more cases here at our Home.

Since we updated you on November 11, we have had one member and one staff test positive for COVID-19. Currently we have 17 total cases of COVID-19 on campus (12 members, 5 employees). While we celebrate that 2 employees and 1 member have recovered, we are saddened that since last week 3 members have passed. Our deepest condolences go out to their loved ones.

Please remember, when we have cases of COVID-19 in our facility, we are required to limit visitors. If you are planning on visiting a member, you should double check the unit's status by calling ahead or checking www.WisVetsHomesCOVID.com.

We implore you to help stem the spread of COVID-19 by practicing safe distancing, getting vaccinated, washing hands and wearing a mask in public settings. If we all work together, we can stop the spread of COVID-19.

Thank you for your support and understanding that we are all in this together.

Sincerely,

Syble Barry
